Vol. 5 Thur., July 24 No. 20  
Jock McIntyre, Editor

Our fall catalogues have gone through the mail, you will no doubt have noticed items of interest. The new line of Marshall Wells stoves are very attractive in appearance and price.

We were pleased to have Mr. and Mrs. John Collins, Jack and Mrs. Kennedy call on Saturday evening when in town.

The Coleman line of camp stoves and gas irons are scarce owing to the factory being on war supplies. We have the assortment on hand, also one second-hand camp stove.

Champion is missing our faithful drayman, George Taylor who is in the hospital in Lethbridge at present.

Included in our complete stock of tools, pliers, wrench sets and box end we have added an open stock line of Bonney Double end wrenches.

Harvey Jopling and family journeyed back in the hills last Sunday. Harvey did not know whether he wanted to fish or not until the warden came along and sold him a license.

Canvas repair webbing on hand in all weights and widths from 1 in. to 5 in., also a complete line of staples, tacks and rivets.

The officer of the day stopped a mess orderly as he was carrying a soup kettle out of the kitchen.

"Here, you," he snapped, "give me a taste of that!"

Obediently he was handed a ladle, and he tasted it.

"Great Scott! do you call that stuff soup?" he roared.

"No, sir," responded the orderly meekly. "That's dish water."

Mrs. Ed. Griffin and the girls and boys have gone on a motor trip. Ed. seems lost but with the number of friends he has in Champion I think he will be O. K. until they return.

Have you seen the new English made bicycle on display? It is a dandy, all chrome plated finish stainless steel, quality and price is tops.

## Directions for Men Liable to Military Training

Officials of the National War Services Department report gratifying and ready response from young Canadians being called for military training under the National Resources Mobilization Act.

They state, however, that while each man receives a mailed individual and personal notice of his call to training, as his period arrives, a number of enquiries are still being sent direct to Ottawa. Major-General LaFleche, Associate Deputy Minister of The Department of National War Services, under whose direction the mobilizing of trainees is being carried out, points out that the Regulations have been planned to smooth out possible difficulties for the trainee by dividing Canada into thirteen Administrative Divisions, with officials and headquarters offices in each Division, authorized to handle procedure and operations locally.

To the Divisional Registrar of National War Services in the area in which they are registered should be forwarded all communications concerning business arising from the provisions of National War Services Regulations. All men from 19 to 45 are warned that notification must also be given promptly of change of address or marital status. Failure to do so incurs the risk of fine or imprisonment.

Young men in this area, liable for military training, requiring further information regarding their obligations or applications for postponement should communicate with the Divisional Registrar for this District, whose name and address are given below for their convenience, along with the names of other Members of the Board:

Division "N," Headquarters—Edmonton, Alta.

Chairman of the Board: Honorable Horace Harvey, Chief Justice, Edmonton, Alta.

Members of the Board: Mr. Elmer Feir, Barrister, Stettler, Alta.; Mr. R. J. Dinning, 305 Canadian Bank of Commerce Building, Edmonton, Alta. Divisional Registrar: Mr. J. P. McIsaac, Court House, Edmonton, Alta.

This Administrative Division of National War Services comprises the electoral districts of Acadia (210), Athabasca (211), Battle River (212), Bow River (213), Calgary East (214), Calgary West (215), Camrose (216), Edmonton East (217), Edmonton West (218), Jasper-Edson (219), Lethbridge (220), Macleod (221), Medicine Hat (222), Peace River (223), Red Deer (224), Vegreville (225), Wetaskiwin (226), and the district of MacKenzie.

## A Correction

Carmangay, Alta.  
July 16th, 1941.

The Editor,  
Champion Chronicle,  
Champion, Alberta.

Dear Sir:

In a recent edition of the Chronicle it was stated the Carmangay Stampede cleared the sum of \$1900.00.

However, this news item is in error as it happens that the gross receipts were only \$1883.48 and the net profit after all expenses were paid was the sum of \$510.19.

This profit has been disposed of in donations to the Minister of Finance for the war effort, to the Canadian Red Cross Society and for community work.

We hope that you will publish this correction for us as we do not wish a false impression to circulate in the district.

We wish to take this opportunity to thank all who helped in any way towards making our show a success and also those people who gave us their patronage. We can assure them it is appreciated.

Thanking you for allowing us this space in your valuable paper we are,  
Yours very truly,  
Carmangay Stampede Association,  
Jas. M. Davey, Secretary.

Mrs. W. R. McRae left last week for Vancouver, where she will holiday for a few weeks.

Mr. and Mrs. O. E. Sommers left over the week-end on a two weeks' vacation to be spent at the coast.

Les Christensen, who has been employed in a garage in Calgary, has returned to his home.

Marion McDonald spent the week of July 14th at the Olds Agricultural School attending a gathering of A. W. I. Girls' Clubs.

The Misses Gail Laurie, Shirley Taylor, Linda Cemulini and Gloria Cemulini were among those attending the opening dance of the Texaco service station at Nanton last week.

C. G. Taylor, who has been holidaying in Vancouver, returned home last week.

Mr. and Mrs. Gerard Francy and son Wilson of Los Angeles, California spent a few days this week at the home of Mr. and Mrs. Brown McDonald.

M. G. Sanford has returned from a visit with his daughter Mrs. Telford of Erickson, B. C.

Mrs. Arthur Wannop is returning early next week to her home in Brandon, Manitoba. She is taking Betty Wannop with her for a visit.

Miss Ruth Fath, nurse-in-training at the Holy Cross hospital, Calgary, who has spent a three weeks' holiday at her home here, returned to Calgary Sunday, accompanied by Miss Valarie Ray and Miss Betty James of Calgary, who were guests at the home of Mr. and Mrs. L. Fath last week.

Mrs. C. G. Taylor experienced a painful fall last Sunday when cellar steps gave way precipitating her to the basement floor—a distance of some 9 feet. No permanent injury is apprehended.

A party was given at the Alston hall on Tuesday, July 15th by the Alston community, Mrs. Clements, Mrs. Edwin Beingsner and Mrs. G. Voisey acting as hostesses in honor of Mr. and Mrs. Leon Coe. After a program of progressive bridge, singing etc. Mr. and Mrs. Coe were presented with a purse to which both very fittingly replied. A march was played and the procession led by the bride

## Stanley Orris To Publish The Champion Chronicle

Stanley Orris of Winnipeg will take over publication of The Chronicle August 1st. Mr. Orris has been associated for the past fifteen years with one of the largest printing plants in Winnipeg and has a wide knowledge of the printing and publishing business.

Mr. Orris was born in Winnipeg and attended public schools and the University of Manitoba in that city. A keen student of current affairs, local, national and international, he is a great reader and possesses a fine library of over 2000 volumes.

Mr. Orris is married and has two children. He expects to take up residence in Champion about the end of July. He will be joined by Mrs. Orris and the children the latter part of August.

and groom, the groom's mother and father proceeded to the basement where covers were laid for over eighty guests. Delicious cakes and ice cream were part of the refreshments.

Mrs. H. Birkeness and son Victor, of Armada, spent last week at the home of her parents, Mr. and Mrs. F. Sadler.

Work at the Red Cross room continues with marked enthusiasm despite the hot weather, which makes the rooms fairly warm for work. Several quilts are under way and the quota for the month, namely three quilts, is practically completed. The quilts are being made from scraps, and the finished product after being put together and quilted by the many willing helpers, is something to be proud of. A complete set for boys eight years old comprising six shirts, six pants, six socks, 12 pyjamas, six sweaters is also part of this month's quota, and the room buzz with activity as an effort is made to complete the work.

### RUNNING A BUSINESS

Publishers of Perth, Wellington, Dufferin and Grey counties, Ontario in session at Durham recently, passed a resolution that regular rates be charged for all printing and advertising regardless of whether the money is being raised for war purposes or not. In fact, the ruling applies to everything where an admission fee is

charged or a collection taken to meet expenses.

On the surface this may seem a rather stiff attitude for the press to take but a line has to be drawn somewhere and it was the unanimous opinion of those present that war charities should "pay their way" as well as any other organizations.

The fact that the district newspaper is a focal advertising medium for a wide district means that there are many calls on them by organizations who wish to "ride free." Now, many of these causes are most commendable and are worthy of strongest support, but the newspaper fraternity in this district at least is of the opinion that they can't be "giving" all the time which is the case with so many events

being sponsored for war charities. The press takes this attitude in view of increased running expenses, new and increased taxes which industry must put up or close up.

If you think running any business these days is a cinch, especially where there are a number of employees and Defence Tax and Unemployment Insurance have to be deducted from their wages and kept track of, you are either a darn good patriot or a bear for punishment. Hitler can't be trimmed too soon to suit a lot of employers we know.

## "CALLING ALL CARS"

*Save Gasoline*

### A NATIONAL EMERGENCY

Canada is right up against an acute shortage of gasoline and fuel oil. Tankers that normally supply our country have been commandeered for vitally important overseas service.

The Commonwealth Air Training Plan, the rapid development of Canada's mechanized army units and the great work carried on by our corvettes make the demand for fuel urgent.

Our crude oil intake is limited. There is just one thing to do if our fighting forces are to carry on with a "full tank". Every Canadian motorist is asked to cut his daily gas consumption in half!

There are many ways by which this 50% saving can be made... ways and means to give you more mileage per gallon. You can drive slower so that you will use less gasoline. You can go fifty-fifty with your neighbours, inviting each other to share cars... for business, and for pleasure. People can readily go to and from work together, using one car instead of four... using one gallon of gasoline instead of several. Women as well as men can make these savings.

The amount of gasoline used in Canada for business, social and non-essential activities is amazingly high in proportion to that used by our fighting forces. One look at the figures would convince you that this situation must be reversed.

Canada does not ask or request you to put your car up. She merely asks for your help... asks that you walk sometimes when the distance isn't too great...

that you take a shorter drive on Sunday afternoon... that you look after your car and keep it in good condition... that you say to your neighbour: "Let's use my car today, Jim; we'll use yours tomorrow."

Every day, in greater and greater quantity, we must release gasoline and oil by the thousands of gallons to our throbbing munitions plants... to our tanks and armoured cars... to our fighting planes and bombers... to our corvettes and merchant ships that ply the vital sea-lanes... so that the day of victory may sooner be at hand.

Will YOU help?

It is also vitally important that you reduce the use of domestic and commercial fuel oil.

## 17 easy ways towards a 50% GASOLINE SAVING

(Approved by Automobile Experts)

Reduce driving speed from 60 to 40 on the open road.

Avoid jack-rabbit starts.

Avoid useless or non-essential driving.

Turn motor off when not in use, do not leave idling.

Don't race your engine; let it warm up slowly.

Don't strain your engine; change gears.

Keep carburetor cleaned and properly adjusted.

Tune up motor, timing, etc.

Keep spark plugs and valves clean.

Check cooling system; overheating wastes gasoline.

Maintain tires at right pressure.

Lubricate efficiently; worn engines waste gasoline.

Drive in groups to and from work, using cars alternate days.

For golf, picnics and other outings,

use one car instead of four.

Take these short shopping trips ON FOOT

and carry parcels home.

Walk to and from the movies.

Boat owners, too, can help by reducing speed.

Your regular service station man will gladly explain these and other ways of saving gasoline. Consult him.
